A New Standard in Professional Time Management, The Time Timer® PRO Applied®

Whether time seems to fly or drag, Time Timer® PRO Applied® provides a clear visual representation of elapsed time — no need to understand numbers or clocks.

Why PRO Applied®

In professional care and compliance environments, clarity and consistency aren't optional, they are essential. PRO Applied® products are built to support.

- **Improved Client & Patient Outcomes** – reduce anxiety and increase engagement with an easy-to-understand visual countdown.
- **Compliance & Safety Standards** – Support consistent timing for sanitation, food safety or medication intervals.
- **Independence & Skill Building** – Empower individuals with disabilities or in supported living to manage time independently.
- **Focus & Structure** – Keep therapy sessions, group activities and workplace routines on track.
